

Consent Form (Parents)

Dear Parent,

At the British School Vilnius, we pride ourselves in the ways we share teaching, learning and events with parents and carers. Throughout the period of time, your child is with us, we will share your child's class assemblies, upload films and photos of events in the school such; as sports day and sports week, science week, etc.

We also use images for the website to share celebrations such as the Talent Show, Swimming Gala and Book Week. In addition, we share some of the work happening in the classroom as part of your child's daily lessons.

As part of the General Data Protection Regulations (2018), we must get consent from parents to continue this work. By giving your consent we will be able to;

- keep filming and sharing class assemblies with children and parents
- use photographs on the website to celebrate teaching and learning
- share pictures and video of events taking place in the school

As part of our commitment to data protection, we will;

- make sure photographs are never uploaded with the names of pupils
- ensure we let you know when a new upload has taken place.
- Please note that if you sign the consent form, but wish to withdraw your consent at a later date, you may do so in writing to your child's class teacher.

We would like to be able to continue giving you a window into the school so that you can share in the events that happen while you are at home or at work. We find it is a great way to make the children feel valued, give them an audience and raise their self-esteem and confidence.

Please sign the form on the following page and return it to your child's class teacher.
